### **Invite Public Inspection**

Modern and extensive equipment installed at a large expense is one of the reasons which make the Franklin bottling works one of the most thriving and interesting industries in this town. Soft drinks and Siphon waters are manufactured and bottled in rooms which are said to be the models of sanitation and cleanliness. The products are made from the choicest of pure fruit syrups and native spring waters. The concern extends an invitation to the public to visit its plant at 104 L Street.

**Louis E. Sicard Dies of Burns at Glens Falls**

**Note:** A truncated article as much is not germane to this writing.    *e.g.*

Turners Falls—Louis E. Sicard, 65, former local assessor, and for many years a resident and businessman here dies at 3:45 a.m. yesterday at the Glens Falls, N.Y. hospital from burns received a week ago when an oil burner over-heated in his home.

After attending the local public schools, he became associated with his father in the shoe business on Avenue. A and later ran the business himself. He sold the shoe store to engage in the manufacture of soda pop under the name of the Franklin Bottling Works, now owned by. Mrs. Czeslawa Prondecki. Some years ago, he moved to Green Pond near Lake Pleasant and began development of the site. For many years, this proved to be an attractive and popular swimming and recreation spot. He was a Ford salesman at one time, and was also engaged in the painting and tile setting business.
